

**Anacostia Watershed Management Committee**

**Thursday, December 8th, 2011**

**10:00 a.m. - 1:00 p.m.**

**Board Room, Third Floor**

**Draft Agenda**

**10:00 am Call to Order/Introductions..... Chair Moki,  
Prince George’s County  
Department of  
Environmental Resources**

**10:05 am Approval of September 15, 2010 Meeting Minutes..... Chair Moki**

**10:10 am AWCAC Chair Report..... Mr. Carey Coppock,  
AWCAC**

Mr. Coppock will report on AWCAC political outreach, Prince George’s County bag bill, FY12 goals and other top AWCAC priorities and needs.

**RESTORATION IMPLEMENTATION**

**10:25 am USACE Update..... Mr. Dave Robbins,  
USACE**

Mr. Robbins will report on the status of the Paint Branch and Northwest Branch CAP 206 stream restoration projects, USACE section 510 Program ESD stormwater retrofit projects and other Anacostia-related work.

**10:40 am PGDER: WIP-II Report.....Dr. Mow-Soung Cheng,  
PGDER**

Dr. Cheng will provide a short summary of the recently submitted Prince George’s County draft Chesapeake Bay Watershed Implementation Plan, Phase II.

He will describe the various plan timelines, Bay modeling loading assumptions, final targets, watershed management implementation costs, as well as potential Anacostia restoration-related implications. Member feedback will be solicited.

**11:05 am City of Takoma Park: WIP-II Report .....Mr. Todd Bolton,  
City of Takoma Park**

Mr. Todd Bolton will briefly describe the City of Takoma Park’s recently submitted draft WIP-II plan. In addition, he will detail both recently completed and near-term restoration projects. Member feedback will be solicited.

**11:25 am BARC Update..... Mr. Dave Prevar,  
BARC**

Mr. Prevar will provide an update on the joint USDA/DDOE Hickey Run, National Arboretum oil/water separator project, sewer line repair work at the Arboretum, BARC-related restoration activities, as well as the candidate CSX, Baltimore-Washington Rail Intermodal Facility site in Indian Creek.

### **11:45 - 12:15 Lunch Break**

## **ENVIRONMENTAL MONITORING**

**12:15 pm Upper Paint Branch  
Brown Trout Report..... Mr. Charlie Gougeon,  
MDDNR**

Mr. Gougeon will report on the overall status of the Paint Branch brown trout fishery, including recent Good Hope tributary electrofishing and redd count survey results.

## **RESTORATION COORDINATION**

**12:35 pm SHA ICC Report..... Mr. Rob Shreve,  
SHA**

Mr. Shreve will provide a very brief update on the construction status of the ICC and related environmental mitigation projects in the Anacostia watershed. He will highlight the various stormwater management practices employed along the length of the road, as well as related unit costs and water quantity/quality monitoring activities.

**1:00 pm Adjourn.....Chair Moki**
