

Anacostia Watershed Advocacy Workshop Part: II

Refreshments
Provided

SATURDAY, JUNE 13th, 2009
9:00-12:30

REGISTRATION STARTING AT 8:30

At this participation-oriented workshop, facilitated breakout sessions will help citizens become more effective environmental restoration advocates.

Topic areas to be covered include:

- Influencing Local Government, State, And Regional Decisions
- LID Stormwater Management Implementation
- MS4 Permits And Green Infrastructure

“ ORGANIZING POLITICAL SUPPORT FOR THE ANACOSTIA. ”

An opening discussion will focus on how to “sell” LID and effectively raise stormwater issues with government officials and fellow citizens. Other subjects covered include upcoming opportunities to influence restoration-related activities in the District of Columbia, Montgomery County, and Prince George’s County. Ample time will be given for interaction with panelists and speakers, and networking with fellow subwatershed group representatives.
